Bringing Palestinians and Israelis to the United States to speak about their lives is one of the most effective ways for Kansas City metro residents to learn about the conflict.

As part of a "Peace is Possible" tour two speakers will provide first hand accounts of life under occupation and an approach to a peaceful end to the conflict.

Salim Shawamreh is a Palestinian native of Old Jerusalem who has had his home in the West Bank demolished four times by the Israeli government.

Jeff Halper is coordinator of the Israeli Committee Against House Demolitions and a Professor of Anthropology at Ben Gurion University.
